

3 C's of Communication: How to Make an Impact and Connect with Ease

With Trisha Sveistrup

I just watched 27 speeches and the only thing I wrote down was from your speech. 'You Talk, I'll Listen.' Thank you.

1. Consider

How do you learn what the other person needs from you?

2. Connect

How can you let others see the person behind the position?

*I love Trisha's presentation! She is an excellent speaker and had great delivery.
The stories worked well to arrive at the points to be made!
Awesome Presentation!!*

3 C's of Communication: How to Make an Impact and Connect with Ease

With Trisha Sveistrup

I like Trisha's energy and I find her to be calming yet motivating and inspiring, when the situation calls for it. She is intuitive and responds appropriately to every situation. I love her ability to say "Yes I have been there!"

2. Connect (continued)

3. Communicate

How do you present yourself? What will you do to improve?

Trisha realizes that everyone needs their own [stories]. Trisha is entertaining and her stories are very good; they kept me listening and focused.
